Estate Walkabouts 2023

Rugby Borough Council is committed to working with local people to find out how to improve the quality of their neighbourhoods. We believe that the quality of the area where you live is just as important as the home you live in.

One of the ways in which we do this is by hosting Estate Walkabouts. Twice a year (once a year for Sheltered Housing properties), staff from the Housing Services Team and Housing Maintenance Team formally inspect all areas where there are Council houses in the borough.

The Walkabouts look to identify issues that are causing particular concern, which can include anything from overgrown gardens to dog fouling, abandoned cars, dumped rubbish and graffiti.

Walkabouts are designed to give residents a level of ownership whilst also engaging those people who would not ordinarily take part in any tenant involvement activity. We acknowledge that people are more likely to take pride in their estate if they are involved and encouraged to keep the area clean and tidy. At the end of every Walkabout a plan is drawn up detailing what action needs to be taken, who is going to take the action and by when.

The dates for the 2023 Walkabouts are detailed below. **Please note these are subject to change** and it is advisable to contact the housing team on (01788) 533375 for confirmation of the date of a walkabout.

Further Information

If you would like to take part in a Walkabout or want to enquire about the start time or meeting point, please contact the Housing team on (01788) 533375 or email: housingservices@rugby.gov.uk
