The Parish Council object to the above proposal on the following grounds: -

1. The development encroaches on to the Green Belt.
2. The proposal is contrary to the Local Plan.
3. The site is designated as a Sports Stadium.
4. The development together with the proposed developments at Sherwood Farm, Oakdale Nurseries and in the area of the A428/A46 junction would lead to an unacceptable increase in traffic volume on Rugby Road and
5. The development would have an adverse impact on the local infrastructure, particularly within the area of Binley Woods.
